Cotillion 2022

At The Historic Old Bermuda Inn

GREETINGS

From SIPAG-NY President
Ederlinda Miranda

Dear SIPAG NY family and friends,

It is with utmost enthusiasm that I welcome you to this evening's Cotillion and Gala! We have been waiting a long time for this event and it is a blessing that we can celebrate together.

These past few years have been productive for SIPAG-NY, despite the pandemic. I'm proud of what we have accomplished in bringing together the community to support one another. Below you'll find highlights of the activities that we have organized over the past two years. I am forever grateful to the officers of SIPAG-NY: Tracy Ortiz, Joanne Retino and Daena Albano for turning these ideas into reality. Their dedication, persistence, and industriousness have been the backbone to these events. Thank you to our Board for continued guidance and support. And many thanks to our members, who volunteer their time to make our organization successful! A very special acknowledgement to all our donors - your generosity has had a long-lasting impact in the community.

It is an honor and a privilege to lead this organization. Thank you all for entrusting the team and me to continue the traditions of SIPAG-NY! Mabuhay!

Humbly yours,
Ederlinda Paraiso-Miranda
President, SIPAG-NY

Community Building

- **Youth Group** - in fall 2020, a group of students organized to form the SIPAG-NY youth group (IG: @SipagYouth)
- **Easter outreach** - in collaboration with the Wagner Filipino Club, the SIPAG Youth group delivered meals to the retired community during the pandemic
- **Operation shoebox** - our middle and high school students organized a Christmas drive to send nearly 100 gifts to children around the world
- **Senior Center @ Lifestyles** - our Youth Group donated and served meals, and performed for the retired community
- **Career panels** - we connected successful members of our Filipino-American community with our high school and college students. This established a network for our youth to ask questions and to create opportunities for them in the future.
- **Holiday party** - in Dec 2021, we celebrated Christmas together with 150+ members of the community. We danced, sang Christmas carols, and played games. It was a fun afternoon for all!
- **Founders' breakfast** - in honor of our founding members, we hosted a brunch for members and friends. This was an engaging morning, where good friends gathered to share memories and spend quality time with one another.
- **Golf outing** - in memory of Tita Nina Clutario, we hosted our golf outing in spring of this year.
- **Parol making** - In collaboration with the Filipino School of NY/NJ, we shared the tradition of making beautiful lanterns for the Christmas holiday

Sports

- **Basketball clinics** - we reinstated our basketball clinics earlier this year and had a wonderful turnout. Our Open Team members led this effort, teaching the next generations of players.
- **Basketball youth league** - this summer we also brought back the popular youth league, for players ages 6-16. This league gives us the opportunity to teach and help players develop a love for the game.
- **Buddah Ball Invitation** - in fall 2021, we hosted a basketball tournament, inviting local teams to compete in the sport that our beloved Peter Michael Plamenco (aka Coach Buddah) enjoyed so much.
- **B.A.N.G.: Buddah Alumni Nexus Games** - In spring 2022, we had a fun-filled family day to bring together players who have been coached by Buddah throughout the decades. They had a friendly competition, intramurals style.
- **Volleyball clinic** - for the first time ever, we created a clinic for high school and college students to learn how to play volleyball.
- **Volleyball NAVA team** - with the popularity of the clinic, we were able to create a competitive team to send to the upcoming North American Volleyball Association Intercity tournament.
- **Basketball NABA teams** - this year, we will send 10 teams to the North American Basketball Association Intercity tournament in Atlantic City. We have competitive boys and girls teams, from ages 6 through 60 attending the tourney during Labor Day weekend.

Fundraising

SIPAG-NY is a **501c(3) nonprofit organization**, run by volunteers. Donations from our members, friends, and sponsors help to pay for our operations (ex. Insurance, marketing) and to offset the costs of many of the events above. In 2021-22, we held several fundraisers, including: **Holiday 50/50 raffle, Spring 50/50, Bowling event, Buddah Ball 50/50, TV raffle, and Volleyball Raffle.** We are grateful to all of our donors and sponsors for their unwavering support!

ADAPTING FILIPINO TRADITIONS

Photo from SIPAG's last Cotillion in 2003

At the **SIPAG-NY Cotillion** gala, we celebrate the youth in our Filipino community, who may range from 14 to 20 years old. The cotillion serves as an opportunity to introduce the next generation to our community, to celebrate their past achievements, and to teach them about their Filipino roots and culture.

Historically, the tradition of the Filipino **debut** is said to have originated from the Spanish Quinceañera, a coming-of-age celebration for girls who turn fifteen. After the Philippines was colonized by Spain, the tradition was adapted and modified to follow Filipino culture.

The Filipino debut typically celebrates a young woman's 18th birthday, the transitional age signifying maturity in the Philippines. Although also reaching legal maturity at 18, a Filipino man may mark his own debut upon turning 21, though with less formal celebrations. Regardless of the age, it is a much anticipated event in the Filipino culture full of festiveness and joy.

Over the years, the debut has undergone many iterations or variations, but it commonly includes a well-practiced and highly anticipated dance called the **cotillion**. The cotillion usually includes a waltz, and entails several months of rehearsals as well as a professional choreographer. Not just a dance, the cotillion is a symbolic way of displaying good manners and courtesy to the opposite gender through dance. We hope you enjoy this evening's cotillion and gala, and let's congratulate this year's participants for all their hard work in continuing this tradition!

Great job for taking time out of your summer to commit to this Cotillion that you participated in for SIPAG. You are learning to become a man of many talents and these dance lessons will help grow that confidence you already have in your education and extra curriculars. We hope you made some fun memories with your friends. We will continue to encourage you in all your hard work.

Many Blessings,
Nini, Ninong Joey, Kuya JV, Ate Camille, Jax, Kuya Justin, and Ate Jen Reyes

Congratulations! We are so proud of all of your accomplishments, along with how you have become such a determined and intelligent young man. We will always be present to love, support, and encourage you in all of your future endeavors. We wish you the best and may God bless you always.
